

## Armrest model - MLC310

MLC310 is an armrest Console model that offers an extra practical storage compartment. Its generous width gives both driver and passenger a relaxed and comfortable drive. This armrest is recommended for cars and certain light trucks. Choose from different materials and colours on the top-cover and the armrest-base. The top-cover materials are PUR, Textile, Vinyl or Leather. The armrest-base materials are ABS, Fiber-coated or SoftTouch / Painted surface. See our variety of standard armrest on the next page.

We can also offer unique colour and material matches with exclusive attributes for example, special editions. Create a greater visual experience with a specially designed armrest -custom made to match the car's interior. For more information -please contact Sydmeko Industri AB.
